The farmers will do everything in their power to provide the members with an abundant and diverse supply of high quality produce weekly. As a CSA member of Broad Wing Farm, I understand that due to the inherent risks of farming, there are no guarantees on the exact amount or type of produce I will receive. As a CSA Member, I am solely responsible for farm share payment and pickup of vegetables during distribution hours. If I do not pick up my share during designated hours, I understand it may be redistributed or donated to a food bank. I understand that if I cannot continue my share, I will not receive a share price refund.
